

**The St. Augustine Amphitheatre**  
1340C A1A South, St. Augustine, Florida 32080

Managed by the St. Johns County Cultural Events Division, the St. Augustine Amphitheatre is a roughly 4,500 seat outdoor amphitheatre located amongst the natural trails of Anastasia State Park. Originally constructed in 1965, the amphitheatre underwent a complete overhaul in 2001 and reopened to the public in 2007.

	Dressing Rooms 1, 3, 4	

## **Venue Curfew & Policies**

Out of respect for the surrounding residential neighborhoods, sound levels must not exceed 102dB SPL A-weighted as measured from the FOH mix position. Venue representatives will regularly measure and monitor volume levels using the house sound meter. While occasional instantaneous peaks may be tolerated, multiple violations (more than five (5) spikes within a two (2) minute window) will result in a \$500.00 fine for each violation within a 15 minute period. Please be advised that formal complaints from residents will result in the St. Augustine Police Department sending their own officers to measure and enforce the city's noise ordinance!

A strict 10:30pm curfew applies to all weekend (Friday and Saturday) shows  
Weekday shows (Sunday thru Thursday) must finish by 10:00pm.  
Fines begin accruing 5 minutes after curfew in the amount of \$1,500.00 for every 5 min over!

Smoking is not allowed backstage or in dressing rooms. Violations will result in a \$250.00 fine.

*All shows are rain or shine events.*

## Backstage Access & Loading Dock

1320 A1A South, St. Augustine, FL 32080

The service road leading to backstage is located approximately 500' north of the main entrance on state road A1A. The service road is accessible to trailers up to 53' in length. Due to space limitations, semi's need to come in first, turn around and be staged before buses come in. The loading dock is equipped with two (2) Autodok adjustable loading ramps, but can accommodate up to three (3) trucks simultaneously. The dock is at stage level with a 40' straight push onto stage right. The bay door is 10.5' tall by 8' wide.

## Bus Parking & Shore Power

Two (2) buses (or additional trucks) can park in the alley immediately behind the main stage building, and four (4) buses can comfortably fit within the parking area just to the west of the loading dock. Shore power is available in both locations.

## Loading Dock

The **RED** rectangles indicate a parking spot typically used for a bus.

The **BLUE** rectangle indicates a parking spot typically used for a tractor trailer at our loading dock.

Every **YELLOW** triangle represents an outlet for shore power.

## VENUE SEATING CHART

## Directions

The St. Augustine Amphitheatre is located on Anastasia Island in St. Augustine, Florida. The main entrance and box office are located at 1340C A1A South, St. Augustine, FL, 32080. For Semi's and Buses, use the service road at 1320 A1A South, St. Augustine, FL, 32080 (500' north of the marquee/main entrance on A1A).

### Traveling North:

- Take I-95 North to Exit 311 SR 207 North towards St. Augustine.
- Make a right onto SR 207 North and continue for 3.7 miles.
- Make a right onto SR 312 East towards St. Augustine Beach and continue for 3.6 miles.
- Make a left onto A1A North and continue for 1.1 miles.
- The St. Augustine Amphitheatre will be on your right.

### Traveling South:

- Take I-95 South to Exit 311 SR 207 North towards St. Augustine.
- Make a left onto SR 207 North and continue for 3.7 miles.
- Make a right onto SR 312 East towards St. Augustine Beach and continue for 3.6 miles.
- Make a left onto A1A North and continue for 1.1 miles.
- The St. Augustine Amphitheatre will be on your right.

**\*Please Note: This is the easiest path for semi's/buses. Other GPS routes will take you through downtown, a draw bridge, much smaller streets, and traffic.**
